

WORLD AUTOMATION CONGRESS

WAC 2022

15th Bi-annual Congress

M. Reza Mizani, MD, FASN

**Nephrologist and Founder of
South Texas Renal Care Group
San Antonio, Texas**

Outstanding Achievement Awardee

Bio: **Reza Mizani** is the founder of South Texas Renal Care Group. Recognized by Scene San Antonio as one of the area's best nephrologists, Dr. Mizani has centered his career on improving the health of the San Antonio community. He is a governor-appointed member of the Kidney Task Force of Texas to help enact meaningful kidney care policies. He served as Chief of Staff at the Baptist Medical Center in downtown San Antonio and founded LASO Health, an app that's leading change in the delivery of healthcare. His medical focus is on the generational effects of kidney disease, kidney transplants, Chronic Kidney Disease, hypertension and diabetic management. Dr. Mizani also has a passion for home dialysis options and has contributed years of research and publications on daily dialysis.

Dr. Mizani owns a true love for patient care and fosters lasting relationships with his patients. This forms his down-to-earth personality, yet he remains devoted to professionalism and being involved at each step of his patient's healthcare journey.
